

OMNISPORT® TOUCHPAD STORAGE CART PRODUCT SPECIFICATIONS

Omnisport® Touchpad Storage Cart

The Daktronics touchpad cart is designed to be user-friendly. All models are designed to hold ten touchpads and are narrow enough to fit through standard doorways. The touchpad cart provides organization and protection for the touchpads and deck harness system.

FEATURES:

1. Lightweight aluminum construction
2. Portable
3. Wheel brakes
4. Touchpads are easy to load and unload
5. Storage bins for deck harness and touchpad cables
6. Velcro straps to secure touchpads to cart
7. All models store ten (10) touchpads
